THE DOVETAIL PROJECT

Joining the body of Christ

A DAVID'S TABLE TRUST INITIATIVE

A charity working with adults with special needs, in Trowbridge

LAUNCH!

The project will be launched on 2nd March, 2019.

About the project

The founders of The David's Table Trust recognised the barriers Christian adults with learning difficulties face in fellowshipping with other Christians, accessing opportunities to grow in their faith, serve and take part in purposeful activities.

Support work is limited, particularly at the weekends and often people are left feeling isolated and alone. We believe 'church' should be accessible to everyone.

The Dovetail Project aims to join together the body of Christ, through weekday, day-time sessions.

We hope that, through visits from fellow christians, local church leaders and the wider community, as well as nurturing friendships between each Dovetailer, we will enable people to grow in confidence of God's precious plan for each of us.

After a year of planning and prayer, we are excited to be launching the project and hope our sessions will start in April 2019, in Trowbridge, once we have finished identifying potential Dovetailers.

For more information on our core aims, see overleaf.
